

**Derby Eye & Vision, Derby, New York's premier Optometrist Practice, is expanding in 2026.**

**Derby Eye & Vision:**

- Welcomes two new Optometrists, Dr. Linda Shenkle, and Dr. Todd Gardner to expand, and continue, the legacy of Dr. Rob Joba.
- Announces a "Celebration of Derby" event for all current and new patients, coming in February 2026
- Honors Dr. Rob Joba, the founder of Derby Eye & Vision, after more than 15 years of professional eyecare service to the community

**Derby Eye & Vision** has served the Derby Community for over 15 years, and Derby deserves to continue to have its own, independent, optometrist that provides full medical eyecare and a full selection of contact lens and eyewear fashion.

Dr. Linda Shenkle, and Dr. Todd Gardner, both Five Star Optometrists, are excited to join the great Derby Eye & Vision Team.

The **"Celebration of Derby" Party** will include:

- Door prizes
- Food and drinks
- An eyewear fashion show
- Discounts on designer eyewear frames

**Congratulations!** We wish Dr. Rob Joba, OD, founder of Derby Eye & Vision all the best. Throughout his career, Dr. Joba has provided the Derby, NY community and surrounding areas with exceptional eyecare, combining compassionate patient service with expert medical diagnosis and treatment of complex eye diseases, as well as comprehensive vision correction through glasses and contact lenses. As he enters a well-deserved retirement to spend time with his family, we extend our deepest gratitude and best wishes. His legacy of outstanding professional care will continue at Derby Eye & Vision, carried forward by a talented Team of Eyecare Professionals, along with Dr. Linda Shenkle and Dr. Todd Gardner, both lifelong Buffalo-area eyecare providers whose extensive experience in medical eye care ensures that the high standard Dr. Joba established will endure.

**To the Derby Community:** Look for more exciting news about Derby Eye & Vision in the future!
